A Questionable Shape Bennett Sims

-The Rumpus. "Bennett Sims is a writer fearsomely equipped with an intellectual and linguistic range to rival a young Nabokov's, Nicholson Baker's gift for miniaturistic intaglio, and an arsenal of virtuositities entirely his own. A Questionable Shape announces a literary talent of genre-wrecking brilliance."

A Questionable Shape by Bennett Sims - Goodreads

"Bennett Sims' A Questionable Shape is a book I feel like I've been searching for for years but have yet to find, until now. Sims' humble, cerebral, and addictively engaging narrator, comfortable expostulating on videogames as well as Wittgenstein against the backdrop of a zombie apocalypse, marries highbrow to low, blends genre conventions with a ravenous intellectual curiosity and depth, and delivers one of the bravest, funniest, and strangest narratives I've come across in recent memory.

A Questionable Shape by Bennett Sims | Two Dollar Radio

Bennett Sims is the author of the novel A Questionable Shape, which received the Bard Fiction Prize and was a finalist for The Believer Book Award, and the collection White Dialogues. He is a recipient of a Michener-Copernicus Society Fellowship.

A Questionable Shape: Bennett Sims ... - amazon.com

"What we know about the undead so far is this: they return to the familiar." Thus begins Bennett Sims' debut novel A Questionable Shape. The subject matter of this brilliantly sensitive, whip-smart new novel is at first glance almost overbearingly familiar. The book is, at its most basic level ...

"A Questionable Shape," By Bennett Sims - The Rumpus.net

A Questionable Shape by Bennett Sims. It is tempting, in the spirit of our meme-ridden times, to retitle Bennett Sims's debut novel, A Questionable Shape, something more indicative of both its rigorous theoretical ambition and its sublimely popular pop-cultural premise. Being and Nothingness (and Zombies!) comes to mind.

Bookslut | A Questionable Shape by Bennett Sims

Bennett Sims's fiction has appeared in A Public Space, Tin House, and Zoetrope: All-Story. His first novel, A Questionable Shape, is forthcoming in May 2013 from Two Dollar Radio. He lives in Iowa City, IA.

A Questionable Shape - Electric Literature

A Questionable Shape by Bennett Sims. To Sims, A Questionable Shape offers a way to tease out our characters, our identities, our habits. He examines the shape of our human condition in situations when we seemingly lose all motivation and simply go through the motions—when we walk through our lives blind.

A Questionable Shape by Bennett Sims :: Books :: Reviews ...

A Questionable Shape (excerpt) (Electric Literature's Recommended Reading) In this excerpt from Bennett Sims debut novel, we enter a world that's managed to overcome a zombie crisis, and the few remaining zombies are looking to come home. Great authors inspire us.

A Questionable Shape (excerpt) by Bennett Sims

Yes, A Questionable Shape is that zombie novel you've been hearing about, but don't believe the publicity: Bennett Sims, the book's author, is barely interested in genre at all. This isn't even The Keep or Motherless Brooklyn — something that stokes the intellect while still delivering generic thrills. I get no sense Bennett Sims loves zombies.

Review: A Questionable Shape, by Bennett Sims - Electric ...

review 1: Imagine if Borges and Nabokov collaborated on a zombie novel that had very little to do with zombies, but rather is a meditation on zombie-ness. I'm of two minds -the writing is engaging

and some of the ideas are really interesting, but the female character is flat and the main character can be insufferable.

A Questionable Shape announces a literary talent of genre-wrecking brilliance." -Wells Tower
"Bennett Sims' A Questionable Shape is a book I feel like I've been searching for for years but have yet to find, until now.

Questionable Shape: Bennett Sims: Trade Paperback ...

Now along comes A Questionable Shape, a wisely titled and rich first novel by Bennett Sims, who in his own way explores what Robinson calls "the frontiers of the unsayable." Before I go further, perhaps I should say that I am sixty-something and a picky reader, someone whose favorite novels fill a single shelf.

A Questionable Shape announces a literary talent of genre-wrecking brilliance."-Wells Tower

A Questionable Shape by Bennett Sims - overdrive.com

Overview. "Compressed, copiously footnoted and literary, Bennett Sims' A Questionable Shape focuses on a zombie outbreak's effect on a young man and his girlfriend in a single week, in which he and his best friend undertake a quixotic, zombie-strewn search for a missing father." "Evokes the power of David Foster Wallace with a narrative that's...
